#### Product Details

The Cygnett Unison i-X5 iPod Speaker System looks as though it should be in the recording studio, but this stylish system sits equally well at home in your lounge, study, kitchen or bedroom. This neat system is not just about looks. With a delightfully wide frequency response these compact speakers deliver punchy bass with accurate mids and highs, ideal for Hip Hop, Heavy Metal, Rock, Jazz, Folk and Country. A cost effective solution for audiophiles.

#### Cygnett Unison i-X5 Features

- iPod dock for charging and syncing
- 2 audio inputs
- Built in power amp, no receiver/amp needed
- Volume control via remote control or back panel
- Custom 5" woofer for super low end
- 1" silk dome tweeter for smooth highs
- Built-in subwoofer ports for deep bass
- Hand built and tuned cabinets with high-gloss furniture-grade finish
- Magnetically shielded for placement near video monitors
- 5 year manufacturers warranty
- All cables included
