

Warranty

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law (or local consumer law). You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. Cygnett warrants this product against defects in workmanship and material for a period of two (2) years from its original purchase date. You must present your receipt as proof of date of purchase for warranty validation. Please read the following information carefully and retain this warranty card for any warranty claim.

CYGNETT®

CarPower
30W USB-C Car Charger

User Manual

Using the In-Car Charger:

- 1. Locate your vehicle's 12V power socket.
- 2. Insert the USB-C CarPower 30W Car Charger into the 12V power socket securely.

Connecting your Device:

- 1. Grab a USB-C cable (not included).
- 2. Insert the USB-C end of the cable into the USB-C port of the CarPower 30W Car Charger. (Note: Cable is not included; please ensure you have a compatible USB-C cable.)
- 3. Connect the other end of the USB-C cable to the device you wish to charge.

Important Notes:

When the CarPower 30W Car Charger is not in use, it is strongly recommended to remove it from your vehicle's 12V power socket to conserve power and ensure safety.

Thank you for choosing our USB-C Car Power adapter! If you have any further questions or concerns, please contact our customer support.
